## Position Job Title

### SUMMARY OF QUALIFICATIONS

- Through 3 years of self-taught design and artistic skills and a full year of gaining certification in the field, I've learned to implement the elements of design, add personal touches to artistic works, and become extremely familiar with industry-standard design fundamentals.
- While working, two things that stand out about my work ethic are that I am very dedicated and can remain focused for long periods. Additionally, with my experience in other creative fields, I can offer additional companionship in website development & animation.
- As someone with a multilingual background, I can offer work in 4 different languages. With this, my willingness to travel/relocate is open and high.

### CORE COMPETENCIES

These skills can be demonstrated in high efficiency in the workplace.

Adobe Photoshop  
Adobe After Effects  
HTML  
Python

Adobe Illustrator  
Krita  
CSS  
Word processing

Adobe InDesign  
Figma  
JavaScript  
Multilingual

### TECHNICAL PROFICIENCIES

**Operating Systems:** Windows 8-11, MacOS

**Software Applications:** Adobe Creative Cloud, Krita, VS Code, Figma, & Blender

**Programming Languages:** HTML, CSS, JavaScript, & Python

### EDUCATION

Certificate, Website Design - 12/2023 at DeVry University; Illinois

Bachelors, Software Development - 2/2024 to current at DeVry University; Illinois

### PROFESSIONAL EXPERIENCE

**SkyVerse**

**11/10/22 - Present**

**Freelance Graphic Designer**

- Handle all personal business operations and take the role of creative director. Create videos promoting the brand, keep products in stock, remain up to date with current design trends, and create articulate works with the fundamentals of design in mind.
- Fulfill client needs and ensure that they receive high-quality products. By walking them through the creative process, regularly meeting for business needs, and making any corrections and updates to specific branding

- Continue to improve skills through extra work outside of client needs. Through continuously learning new software and becoming more and more familiar with the tools, designs begin to look more high quality and take less time to make

**Bakery Associate**

**8/16/23**

**Brookshire Grocery Company**

- Bake all required goods for the floor to meet production standards
- Come up with creative cake designs and execute them with grace
- Partake in online training and gain skills required to complete the job
- Keep the area clean and tidy to avoid any contamination or illness

**Youth Development Professional**

**6/20/22 – 1/1/23**

**Boy's and Girl's Club, Pine Bluff, AR + Kansas City, MO**

- Lead the art class and teach children art fundamentals as well as creative individuality
- Ensure the children are completing their work and putting in effort
- Ensure the children are following the activities schedule and are participating
- Make sure the classroom is clean and that all children are safe and picked up by their guardian
